Nervous Breakdown

"I am so nervous it seems as though I should fly"-"My nerves are all on edge"-"I wish I were dead." How often have we heard these expressions or others quite as extravagant from some loved one who has been brought to this state by some female trouble which has slowly developed until the nerves can no longer stand up under it. No woman should allow herself to drift into this condition without giving that good old-fashioned root and herb remedy Lydia E. Pinkham's Vegetable Compound a trial.

Read the Letters of These Two Women.

North East, Md .- "I was in ill health four or five years and doctored with one doctor after another but none that I had to go to bed three or four tired, could not sleep and could not eat without getting sick. A friend asked me to take Lydia E. Pinkham's Vegetable Compound and I am sorry I did not take it sooner for it has helped me wonderfully. I don't have to go to bed liberty to publish my testimonial."— ELIZABETH WEAVER, R. R. 2, North

Minneapolis, Minn, - "I was run down and nervous, could not restat night and was more tired in the morning than helped me. I was irregular and had when I went to bed. I have two chilsuch terrible pain in my back, lower dren, the youngest three months old part of my body and down each side and it was drudgery to care for them as I felt so irritable and generally worn days every month. I was very nervous, out. From lack of rest and appetite my baby did not get enough nourish ment from my milk so I started to give him two bottle feedings a day. After taking three bottles of Lydia E. Pinkham's Vegetable Compound I felt like a new woman, full of life and energy. with the pain, can eat without being sick and have more strength. I recommend your medicine and you are at liberty to publish my testimonial."

It is a pleasure to care for my children, and I am very happy with them and feel fine. I nurse my baby exclusively again, and can't say too much for your medicine."—Mrs. A. L. Miller, 2633 E. 24th St., Minneapolis, Minn.
